## Packaging and the environment - Optimization of the packaging system

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	1
4	Requirements .....	3
4.1	Application .....	3
4.2	Packaging assessment .....	3
4.3	Demonstration that the requirements of this International Standard have been met .....	4
5	Critical areas to assess when determining the achievable level for packaging optimization .....	4
Annex A (informative) Guidelines on the use of this International Standard for determining the achievable level for packaging optimization .....		5
Annex B (informative) Examples of the application of this International Standard using the checklist .....		10
Annex C (informative) Assessment and minimization of substances or mixtures hazardous to the environment .....		15
Bibliography .....		26
