## Agricultural irrigation equipment - Pressure losses in irrigation valves - Test method

Contents	Page
Foreword .....	iv
1 Scope .....	1
2 Terms and definitions .....	1
3 Test installation .....	3
3.1 Permissible deviation of measuring devices .....	3
3.2 Test equipment .....	3
4 Test procedure .....	6
4.1 Test installation .....	6
4.2 Test conditions .....	6
4.3 Test bench pressure loss .....	7
4.4 Test of valve .....	8
5 Test results .....	8
5.1 Presentation of test results .....	8
5.2 Calculated valve coefficients .....	8
5.3 Test report .....	10
Bibliography .....	11
