|---|--|-------------|
| Foreword .....  |  | 3           |
| Introduction .....  |  | 4           |
| 1   | Scope .....                                  | 6           |
| 2   | Normative references .....                   | 6           |
| 3   | Terms and definitions .....                  | 6           |
| 4   | Principle .....                              | 7           |
| 5   | Apparatus .....                              | 7           |
| 6   | Reagents .....                               | 8           |
| 7   | Sample pretreatment .....                    | 8           |
| 7.1   | Sample size .....                            | 8           |
| 7.2   | Particle size reduction .....                | 9           |
| 7.3   | Determination of the water content .....     | 10          |
| 8   | Procedure .....                              | 10          |
| 8.1   | Preparation of the extraction solution ..... | 10          |
| 8.2   | Extraction .....                             | 10          |
| 8.3   | Analytical determination .....               | 10          |
| 9   | Calculation .....                            | 10          |
| 10  | Expression of results .....                  | 11          |
| 11  | Test report .....                            | 11          |
| Annex A (informative) Conditions regarding centrifugation ..... |  | 12          |
| Bibliography .....  |  | 15          |
