

# DIN EN ISO 10693:2014-06 (E)

## Soil quality - Determination of carbonate content - Volumetric method (ISO 10693:1995)

---

| <b>Contents</b>       |   | <b>Page</b> |
|-----------------------|---|-------------|
| Foreword .....        |   | 3           |
| 1                     | Scope .....   | 4           |
| 2                     | Normative references .....  | 4           |
| 3                     | Principle .....   | 4           |
| 4                     | Reagents .....  | 5           |
| 5                     | Apparatus and glassware .....   | 5           |
| 6                     | Laboratory sample .....   | 7           |
| 7                     | Procedure .....   | 7           |
| 7.1                   | Preparation .....   | 7           |
| 7.2                   | Measurement .....   | 7           |
| 8                     | Calculation .....   | 8           |
| 9                     | Repeatability .....   | 8           |
| 10                    | Test report .....   | 8           |
| Annex A (informative) | Results of an interlaboratory trial for the determination of the carbonate content of soils ..... | 9           |
| Annex B (informative) | Bibliography .....  | 10          |
