Guidelines for treated wastewater use for irrigation projects - Part 3: Components of a reuse project for irrigation

Contents		Page
Foreword		v
Introduction		vi
1	Scope	1
2	Normative references	1
3	Terms, definitions, and abbreviated terms	1
3.1	General	1
3.2	Use of treated wastewater (TWW)	3
3.3	Wastewater quality	4
3.4	Irrigation systems	5
3.5	Wastewater system related components	7
3.6	Abbreviated terms	8
4	Storage reservoir	8
4.2	Reservoir types	8
4.3	Storage time	9
4.4	Problems and strategies	9
5	Additional treatment facilities	10
5.2	Filtration	10
5.3	Additional disinfection	11
6	Distribution systems	11
6.1	Pumping stations	11
6.2	Pipelines	11
6.3	Accessories	12
6.3.2	Valves	12
6.3.3	Blowoffs	13
6.3.4	Flowmeters	13
6.3.5	Hydrants	13
6.4	Resistance of irrigation material to pH and fertilizers	13
6.5	Maintenance of distribution networks to prevent bacterial regrowth	14
6.6	Design and operation of distribution network to protect drinking water sources	14
6.6.2	Stipulating a protective radius	15
6.6.3	Principles of TWW irrigation above (underground or surface) drinking water pipelines	15
6.6.4	Principles of cross-connection	15
6.6.5	Principles of painting and marking TWW irrigation pipelines and systems	16
7	Irrigation systems	17
7.1	Classification	17
7.2	Pressurized irrigation systems	17
7.2.1	Sprinkler systems	17
7.2.2	Micro-irrigation systems	19
7.2.3	Filtration	19
7.2.4	Automation of the irrigation	20
7.3	Instructions for preventive treatments, regular maintenance, and handling pressurized irrigation system failures subject to TWW quality	20
7.3.1	General	20

7.3.2	Water quality parameters required for the treatment and maintenance of irrigation systems, for micro-sprinklers and drip irrigation systems	20
7.3.3	Required equipment and treatments for micro-sprinklers and drip irrigation systems	21
7.3.4	Restoring working order of an irrigation system after failure	24
Annex A (informative) Guidelines for injecting chlorine into drip irrigation systems		25
Annex B (informative) Guidelines for acid use in drip irrigation systems		27
Annex C (informative) Guidelines for injecting hydrogen peroxide into drip irrigation systems		29
Annex D (informative) Guidelines for sampling drip irrigation pipes		34
Annex E (informative) Appropriated chemicals		36
Bibliography		38
