

DIN EN 16932-2:2018-07 (E)

Drain and sewer systems outside buildings - Pumping systems - Part 2: Positive pressure systems

| Contents | | Page |
|-------------------------|---|-------------|
| European foreword | | 4 |
| 1 | Scope | 5 |
| 2 | Normative references | 5 |
| 3 | Terms and definitions | 5 |
| 4 | Symbols and units | 7 |
| 5 | General | 8 |
| 6 | Planning of positive pressure systems | 8 |
| 6.1 | Type of pumping station | 8 |
| 6.1.1 | Introduction | 8 |
| 6.1.2 | Pumping stations with submersible pumps | 9 |
| 6.1.3 | Pumping stations with dry installed pumps | 11 |
| 6.1.4 | Other types of pumping stations | 11 |
| 6.2 | Selection of type of pumping station | 12 |
| 6.3 | Route and profile of rising mains | 12 |
| 7 | Hydraulic design of pumping systems | 13 |
| 7.1 | Introduction | 13 |
| 7.2 | Establish inflow rates | 15 |
| 7.2.1 | Foul wastewater pumping stations | 15 |
| 7.2.2 | Surface water pumping installations | 15 |
| 7.2.3 | Combined sewer pumping stations | 15 |
| 7.3 | Select desired pump flow rates | 15 |
| 7.4 | Dimensioning collection tank | 15 |
| 7.5 | Select rising main diameter | 16 |
| 7.5.1 | Pumping stations | 16 |
| 7.5.2 | Pressure sewer systems | 17 |
| 7.6 | Retention period | 17 |
| 7.7 | Calculation of system characteristics | 18 |
| 7.7.1 | System head calculation | 18 |
| 7.7.2 | Pressure sewer systems | 20 |
| 7.8 | Selection of pump units and duty points | 20 |
| 7.9 | Check pressure transients (waterhammer) | 22 |
| 8 | Detailed design of pumping stations | 23 |
| 8.1 | General | 23 |
| 8.2 | Layout | 23 |
| 8.3 | Collection tank | 24 |
| 8.4 | Pump units | 25 |
| 8.4.1 | Pumps | 25 |
| 8.4.2 | Air compressor units | 25 |
| 8.5 | Controls and electrical equipment and instrumentation | 25 |
| 9 | Septicity | 26 |
| 9.1 | General | 26 |
| 9.2 | Control of septicity | 27 |

| | | |
|-------|---|----|
| 9.2.1 | General | 27 |
| 9.2.2 | Limiting retention period | 27 |
| 9.2.3 | Air flushing | 27 |
| 9.2.4 | Chemical treatment | 28 |
| 9.2.5 | Hydrogen sulphide stripping | 28 |
| 9.2.6 | Dilution of the septic wastewater in fresh wastewater | 28 |
| 10 | Testing and verification | 28 |
| 10.1 | Pumping stations | 28 |
| 10.2 | Rising mains | 28 |
| 10.3 | Commissioning | 28 |
| 11 | Operation and maintenance manual | 29 |
