Plastics piping systems for hot and cold water installations - Guidance for classification and design

Contents		Page
Foreword		iv
Introduction		v
1 Scope		1
2 Normative references		1
3 Terms and definitions		2
4 Classification of service conditions		2
5 Design		4
5.1 Classification		4
5.2 Dimensions		4
Annex A (informative) Derivation of temperature-time profiles		5
Annex B (informative) Product standards for plastics piping systems for hot and cold water installations		7
Bibliography		9
