Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Termsanddefinitions 1

4 Health and safety 1

5 General principles 1

6 Lubricants 2

7 Apparatus 2

8 Preparation of test samples 2

9 Test procedure 3

10 Expression of results 3
10.1 Mass change 3
10.2 Changes in dimensions 3
10.3 Surface changes 3
10.4 Microstructural changes 4
10.5 Type and nature of the corrosion products 4
10.6 Change of lubricant 4

11 Test report 4
