## Thermoplastic polymers for plain bearings - Classification and designation

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
1 <b>Scope</b> .....		1
2 <b>Normative references</b> .....		1
3 <b>Classification and designation system</b> .....		2
4 <b>Designation examples</b> .....		9
5 <b>Ordering information</b> .....		10
<b>Annex A (informative) Properties and applications of the most common unfilled thermoplastic polymers</b> .....		11
<b>Annex B (informative) Fundamental application procedures</b> .....		17
<b>Bibliography</b> .....		23
