DIN EN ISO 8331:2014-11 (E)

Rubber and plastics hoses and hose assemblies - Guidelines for selection, storage, use and maintenance (ISO 8331:2014)

Contents

Page

Foreword 3

1 Scope 4

2 Normative references 4

3 General recommendations 4
3.1 Selection criteria 4
3.2 Storage conditions 5
3.3 Use and maintenance 7

4 Additional recommendations for specific applications 9
4.1 General 9
4.2 Welding and gas-cutting hoses 9
4.3 Steam hoses 9
4.4 Hoses for the conveyance of foodstuffs and drinking water 10
4.5 Hoses for the conveyance of abrasive products 10
4.6 Hoses for the conveyance of corrosive or aggressive products 10
4.7 Hoses for the conveyance of flammable products 10
4.8 Automotive hoses 11
4.9 Hydraulic hoses 11
4.10 Fire-fighting hoses 11
4.11 Oil-industry hoses and hose assemblies 13
