DIN EN 17224:2019-09 (E)

Determination of compressive shear strength of wood adhesives at elevated temperatures

Contents

Page

European foreword 3

Introduction 4

1 Scope 5

2 Normative references 5

3 Terms and definitions 5

4 Principle 5

5 Apparatus 5
5.1 Test jig 5
5.2 Climate chamber or oven 5
5.3 Thermocouples 6
5.4 Testing machine 6

6 Test specimens 6
6.1 Selection of wood 6
6.2 Preparation of test pieces 6

7 Test procedure 9
7.1 Test at ambient temperature 9
7.2 Test at elevated temperature 10
7.3 Evaluation of result 11

8 Expression of results and test report 12
