## Information technology - Multimedia Middleware - Part 5: Component download

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	1
3.1	Specification terms and definitions .....	1
3.2	Realization terms and definitions .....	6
4	Abbreviated terms .....	7
5	Overview of interface suites .....	7
6	Download interface suites .....	8
6.1	Interface suites for receiving components .....	8
6.2	Interfaces suites for initiation of component transfer .....	13
7	Realization overview .....	18
8	Download realization .....	19
8.1	Structure view .....	19
8.2	Behavior view .....	22
8.3	Deployment .....	38
Annex A (informative) Deployment example .....		39
Annex B (informative) Meta data for security parameters .....		46
Bibliography .....		61
