

DIN CEN/TS 16634:2014-06 (E)

Personal identification - Recommendations for using biometrics in European Automated Border Control; English version CEN/TS 16634:2014

| Contents | | Page |
|--|--|-------------|
| Foreword..... | | 3 |
| Introduction | | 4 |
| 1 Scope | | 5 |
| 2 Terms and definitions | | 5 |
| 3 Abbreviated terms | | 8 |
| 4 ABC systems - an overview | | 9 |
| 4.1 Concept..... | | 9 |
| 4.2 Biometric references | | 9 |
| 4.3 Types of travel documents | | 10 |
| 4.3.1 General..... | | 10 |
| 4.3.2 National identity cards | | 10 |
| 4.3.3 Biometric passports | | 10 |
| 4.3.4 Schengen visa..... | | 11 |
| 4.4 Topologies of ABC systems | | 11 |
| 5 Biometric systems in ABC | | 11 |
| 5.1 General recommendations | | 11 |
| 5.1.1 Usability and accessibility | | 11 |
| 5.1.2 Architecture..... | | 13 |
| 5.1.3 Biometric security functions | | 15 |
| 5.1.4 Logging, data protection and privacy..... | | 20 |
| 5.2 Recommendations for face biometrics | | 20 |
| 5.2.1 Condition for good quality sample acquisition | | 20 |
| 5.2.2 Biometric verification and process design | | 21 |
| 5.2.3 Security..... | | 22 |
| 5.2.4 Usability and environment..... | | 23 |
| 5.3 Recommendations for fingerprint biometrics | | 23 |
| 5.3.1 Condition for good quality sample acquisition | | 23 |
| 5.3.2 Biometric verification and process design | | 24 |
| 5.3.3 Usability and environment..... | | 24 |
| 5.4 Recommendations for iris biometrics | | 25 |
| 5.4.1 Condition for good quality sample acquisition | | 25 |
| 5.4.2 Biometric verification and process design | | 26 |
| 5.4.3 Security..... | | 27 |
| 5.4.4 Usability and environment..... | | 27 |
| Annex A (informative) Testing examples — Facial Images..... | | 29 |
| Annex B (informative) Example process for multi-camera systems for 3D face recognition | | 30 |
| Bibliography | | 32 |
