|--|------------------------------|-------------|
| Foreword .....   |                              | iv          |
| Introduction .....   |                              | v           |
| 1  | Scope .....                  | 1           |
| 2  | Normative references .....   | 1           |
| 3  | Terms and definitions .....  | 1           |
| 4  | Data description .....       | 4           |
| 4.1  | General .....                | 4           |
| 4.2  | Data set definition .....    | 4           |
| 4.3  | Image data arrangement ..... | 4           |
| 4.4  | Data colour encoding .....   | 4           |
| 4.5  | Natural images .....         | 5           |
| 4.6  | Synthetic images .....       | 19          |
| 5  | Electronic data .....        | 23          |
| Annex A (normative) Guidance for use of digital data .....                   |                              | 25          |
| Annex B (normative) Check-sum data .....                                     |                              | 27          |
| Annex C (informative) Typical TIFF/IT file header used for image files ..... |                              | 29          |
| Annex D (informative) Label text insertion .....                             |                              | 31          |
| Annex E (informative) Histogram and colour gamut .....                       |                              | 33          |
| Bibliography .....   |                              | 49          |
