Foreword iv

Introduction v

1 Scope 1

2 Conformance 1

3 Termsanddefinitions 2

4 Symbols and abbreviated terms 2

5 Framework 3
5.1 General 3
5.1.1 Overview of virtual experiment framework 3
5.1.2 Core feature of virtual experiment framework 4
5.1.3 Basic specifications 4
5.1.4 Relationship 4
5.2 Basic framework standards 5
5.3 Application service standards 6
5.4 Data processing standards 6
5.5 Management and evaluation standards 7
5.6 Relationship among specifications 7
5.7 Considerations for virtual experiment systems 8

Annex A (informative) Major parts of virtual experiment framework 9

Annex B (informative) Application examples of the virtual experiment framework 10

Annex C (informative) Abstract actors for virtual experiment framework 16
