## Information technology - Telecommunications and information exchange between systems - NFC-SEC Test Methods

---

<b>Contents</b>		<b>Page</b>
Foreword .....		v
Introduction .....		vi
1	Scope .....	1
2	Conformance .....	1
3	Normative references .....	1
4	Terms and definitions .....	2
5	Conventions and notations .....	2
6	Acronyms .....	2
7	NFC-SEC-TEST apparatus .....	3
7.1	General .....	3
7.2	Apparatus for testing the Sender .....	4
7.3	Apparatus for testing the Recipient .....	4
7.4	NFC-SEC-01 emulation .....	4
7.5	NFC-SEC-02 emulation .....	4
7.6	NFC-SEC-03 emulation .....	4
7.7	NFC-SEC-04 emulation .....	5
8	Test rules .....	5
8.1	General test rules .....	5
8.2	Test scenario and report .....	5
8.3	RFU bits .....	5
8.4	Test scenarios .....	5
9	Test methods for NFC-SEC-01 .....	7
9.1	Recipient test methods .....	7
9.1.1	List of protocol test methods .....	7
9.1.2	NFC-SEC-PDU format .....	7
9.1.3	Logical operation of the Transport Protocol .....	8
9.2	Sender test methods .....	9
9.2.1	List of protocol test methods .....	10
9.2.2	NFC-SEC-PDU format .....	10
9.2.3	Logical operation of the Transport Protocol .....	10
10	Test methods for NFC-SEC-02 .....	12
10.1	Recipient test methods .....	12
10.2	Sender test methods .....	13
10.2.1	ACT_REQ PDUs .....	13
10.2.2	ENC PDUs .....	13
11	Test methods for NFC-SEC-03 .....	14
11.1	Recipient test methods .....	14
11.1.1	List of protocol test methods .....	14
11.1.2	NFC-SEC-PDU format .....	14

11.1.3	Logical operation of the Transport Protocol .....	14
11.2	Sender test methods .....	16
11.2.1	List of protocol test methods .....	16
11.2.2	NFC-SEC-PDU format .....	16
11.2.3	Logical operation of the Transport Protocol .....	16
11.2.4	Logical operation of the TTP Transport Protocol .....	18
12	Test methods for NFC-SEC-04 .....	18
12.1	Recipient test methods .....	18
12.1.1	List of protocol test methods .....	19
12.1.2	Logical operation of the Transport Protocol .....	19
12.2	Sender test methods .....	20
12.2.1	List of protocol test methods .....	20
12.2.2	Logical operation of the Transport Protocol .....	20
Annex A (informative)	Test report template for Recipient tests .....	22
Annex B (informative)	Test report template for Sender tests .....	25
