## Identification cards - Integrated circuit cards - Part 6: Interindustry data elements for interchange

---

| <b>Contents</b>   |   | <b>Page</b> |
|---|---|-------------|
| Foreword .....  |   | iv          |
| Introduction .....  |   | v           |
| 1   | Scope .....   | 1           |
| 2   | Normative references .....                                      | 1           |
| 3   | Terms and definitions .....                                     | 1           |
| 4   | Abbreviated terms and notation .....                            | 2           |
| 5   | Maintenance of interindustry data objects .....                 | 3           |
| 6   | Specific interindustry data elements .....                      | 3           |
| 6.1   | Name of an individual .....                                     | 3           |
| 6.2   | Proprietary login data .....                                    | 3           |
| 6.3   | Magnetic stripe data .....                                      | 4           |
| 6.4   | PIN usage policy .....  | 4           |
| 6.5   | Login template .....  | 4           |
| 6.6   | Qualified name template .....                                   | 5           |
| 6.7   | Cardholder image template .....                                 | 6           |
| 6.8   | Application image template .....                                | 6           |
| 6.9   | Display control template .....                                  | 6           |
| 7   | Identification of integrated circuit manufacturers .....        | 6           |
| 7.1   | General .....   | 6           |
| 7.2   | Identifier .....  | 6           |
| 7.3   | Rules for assignment .....                                      | 7           |
| 8   | Interchange profile .....                                       | 7           |
| 9   | Interindustry data elements in alphabetic order .....           | 8           |
| 10  | Interindustry tags in numeric order .....                       | 15          |
| 11  | Interindustry templates .....                                   | 23          |
| 11.1  | Interindustry data objects within interindustry templates ..... | 23          |
| 11.2  | Interindustry templates defining a context .....                | 25          |
| Annex A (informative) Application for integrated circuit manufacturers number ..... |   | 26          |
| Bibliography .....  |   | 27          |
