## Application of blockchain-based traceability platform for cold chain food

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	1
4	Overview .....	1
5	Traceability process and data elements for cold chain system .....	2
5.1	Stakeholders .....	2
5.2	Traceability process at key links .....	2
5.3	Data elements .....	3
6	System architecture of blockchain based traceability platform .....	8
6.1	General .....	8
6.2	User .....	8
6.3	Business management .....	8
6.4	Data process .....	9
6.5	Basic support .....	9
6.6	Security .....	9
7	Benefits of platform .....	9
Bibliography .....		11
