## Application of blockchain-based traceability platform for cold chain food

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1 Scope .....		1
2 Normative references .....		1
3 Terms and definitions .....		1
4 Overview .....		1
5 Traceability process and data elements for cold chain system .....		2
5.1 Stakeholders .....		2
5.2 Traceability process at key links .....		2
5.3 Data elements .....		3
6 System architecture of blockchain based traceability platform .....		8
6.1 General .....		8
6.2 User .....		8
6.3 Business management .....		8
6.4 Data process .....		9
6.5 Basic support .....		9
6.6 Security .....		9
7 Benefits of platform .....		9
Bibliography .....		11
