

ISO/IEC 21031:2024-03 (E)

Information technology - Software Carbon Intensity (SCI) specification

Contents		Page
Foreword		iv
Introduction		v
1	Scope	1
2	Normative references	1
3	Terms and definitions	1
4	Software sustainability actions	2
5	Procedure	2
6	Methodology summary	2
6.1	General	2
6.2	Operational emissions	3
6.2.1	General	3
6.2.2	Energy	3
6.2.3	Location-based marginal carbon intensity	3
6.3	Embodied emissions	3
6.4	Functional unit conversion	4
7	Software boundary	5
8	Functional unit	5
9	Quantification method	6
9.1	General	6
9.2	Measurement	6
9.3	Calculation	6
10	Comparing an SCI score to a baseline	6
11	Core characteristics	7
12	Exclusions	7
12.1	General	7
12.2	Market-based Measures	7
Bibliography		9
