Foreword ..... **v**

Introduction ..... **vi**

1 Scope **1**

2 Normative references **1**

3 Terms and definitions **1**

4 Symbols and abbreviated terms **2**

5 General elements of online courses **2**

5.1 Online course 2

5.2 Learning activity 3

5.3 Knowledge point 3

5.4 Digital learning resource 3

6 Properties of Online Course **4**

6.1 General 4

6.2 Property specification of course ID 4

6.3 Property specification of course title 4

6.4 Property specification of description 5

6.5 Property specification of objective 5

6.6 Property specification of publisher 6

6.7 Property specification of contributor 6

6.8 Property specification of creator 7

6.9 Property specification of syllabus 8

6.10 Property specification of program 8

6.11 Property specification of start date 9

6.12 Property specification of end date 9

6.13 Property specification of delivery mode 10

6.14 Property specification of course fee 11

6.15 Property specification of preRequisite 11

6.16 Property specification of announcement 12

6.17 Property specification of target audience 12

6.18 Property specification of award 13

6.19 Property specification of referenceMaterial 14

6.20 Property specification of preview 14

6.21 Constraints on properties of online course 15

7 Properties of learning activity **16**

7.1 General 16

7.2 Property specification of activity ID 16

7.3 Property specification of activity name 17

7.4 Property specification of Classification 17

7.5 Property specification of description 18

7.6 Property specification of start time 18

7.7 Property specification of end time 19

7.8 Property specification of learning resource link 20

7.9 Property specification of subdivision 20

7.10 Property specification of subactivity ID 21

7.11 Constraints on properties of learning activity 21

8 Properties of knowledge points **22**
8.1 Property specification of knowledge point ID 22
8.2 Property specification of knowledge point name 22
8.3 Property specification of description 23
8.4 Property specification of relevant learning activity 23
8.5 Constraints on properties of Knowledge points 24
9 Properties of digital learning resource **24**
9.1 Property specification of learning resource ID 24
9.2 Property specification of learning resource name 25
9.3 Property specification of learning description 25
9.4 Property specification of classification 26
9.5 Property specification of format 27
9.6 Property specification of learning resource link 28
9.7 Property specification of relevant knowledge points 28
9.8 Constraints on properties of digital learning resource 29
Annex A (informative) **General elements of online course** **30**
Bibliography **31**
