ISO/TR 22251-2:2026-09 (E)

Packaging - Measurement results for the use of RFID on returnable transport items - Part 2: Plastic returnable transport items

Contents

Page

Foreword ..... **iv**

Introduction ..... **v**

1 Scope **1**

2 Normative references **1**

3 Terms, definitions and abbreviated terms **1**

3.1 Terms and definitions 1

3.2 Abbreviated terms 2

4 Characteristics of RFID for plastic RTIs **2**

4.1 General 2

4.2 Unit reliability evaluations 2

4.2.1 Overview of test methods 2

4.2.2 Plastic RTI types and materials 2

4.2.3 Main evaluation results 3

Annex A (informative) **Examples of Plastic RTIs for Supply Chain** **5**

Annex B (informative) **Evaluation Tests** **6**

Annex C (informative) **Changes in communication characteristics** **43**

Bibliography **48**
