## Identification cards - Integrated circuit cards - Part 6: Interindustry data elements for interchange

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		vi
1 <b>Scope</b> .....		1
2 <b>Normative references</b> .....		1
3 <b>Terms and definitions</b> .....		1
4 <b>Abbreviations and notation</b> .....		2
5 <b>Maintenance of interindustry data objects</b> .....		2
6 <b>Specific interindustry data elements</b> .....		2
7 <b>Identification of integrated circuit manufacturers</b> .....		5
8 <b>Interchange profile</b> .....		6
9 <b>Interindustry data elements in alphabetic order</b> .....		7
10 <b>Interindustry tags in numeric order</b> .....		12
11 <b>Interindustry templates</b> .....		15
<b>Annex A (normative) Application for integrated circuit manufacturers number</b> .....		18
<b>Bibliography</b> .....		19
