| Foreword .....   |  | iv          |
| Introduction .....   |  | v           |
| 1  | Scope .....                                    | 1           |
| 2  | Normative references .....                     | 1           |
| 3  | Terms and definitions .....                    | 2           |
| 4  | Symbols .....                                  | 3           |
| 5  | Requirements for boxes .....                   | 4           |
| 5.1  | General .....                                  | 4           |
| 5.2  | Boards .....                                   | 4           |
| 5.2.1  | General .....                                  | 4           |
| 5.2.2  | Criteria of acceptance .....                   | 4           |
| 5.2.3  | Categories .....                               | 4           |
| 5.3  | Cloth covering .....                           | 5           |
| 5.4  | Lining .....                                   | 5           |
| 5.5  | Adhesives .....                                | 5           |
| 5.6  | Manufacturer's joints and fasteners .....      | 5           |
| 5.7  | Bleeding of colour or additives .....          | 5           |
| 5.8  | Surface .....                                  | 6           |
| 5.9  | Design .....                                   | 6           |
| 5.10   | Strength .....                                 | 6           |
| 5.11   | Dimensions .....                               | 6           |
| 6  | Requirements for file covers and folders ..... | 6           |
| 6.1  | General .....                                  | 6           |
| 6.2  | Paper and board .....                          | 6           |
| 6.3  | Adhesives .....                                | 6           |
| 6.4  | Fasteners .....                                | 7           |
| 6.5  | Bleeding of colour and additives .....         | 7           |
| 6.6  | Strength .....                                 | 7           |
| 6.7  | Dimensions .....                               | 7           |
| 7  | Test report .....                              | 7           |
| Annex A (normative) Special instruction for determining the Kappa number ..... |  | 9           |
| Annex B (normative) Bleeding test .....  |  | 10          |
| Annex C (normative) Strength test .....  |  | 11          |
