Foreword 3

Introduction 4

1 Scope 5

2 Normative references 5

3 Terms and definitions 7

4 Safety requirements and/or protective measures 7
4.1 General 7
4.2 Safety distances, guards, shields 8
4.3 Operator station 8
4.4 Access to operator's station and maintenance locations 10
4.5 Controls 11
4.6 Visibility .....
4.7 Lighting 14
4.8 Braking systems 14
4.9 Steering systems 14
4.10 Retrieval, tie-down and machine-lifting devices 14
4.11 Stability 15
4.12 Automatic processing systems 15
4.13 Electromagnetic compatibility 15
4.14 Fire risks 15
4.15 Noise 16
4.16 Vibration 16
4.17 Storage places 17
4.18 Maintenance 17
4.19 Winches 17
4.20 Hydraulic systems 17

5 Information for use 17
5.1 Operator's manual 17
5.2 Marking 19
5.3 Safety signs 20

Annex A (informative) List of significant hazards 21

Bibliography 23
