# DIN EN 15432-2:2013-07 (E)

## Winter and road service area maintenance equipments - Front-mounted equipments - Part 2: Interchangeability on lifting systems

## Contents

Page

Foreword ..... 3

1 Scope ..... 4

2 Normative references ..... 4

3 Interchangeability requirements F4 front mounting plate ..... 4
3.1 General provisions ..... 4
3.2 F4 mounting plate class ..... 4
3.3 Strength requirements for the front mounting plate class F4 ..... 5
3.4 Designation ..... 6
3.5 Dimensions ..... 6
3.6 Tool fixing systems ..... 8
3.6.1 General ..... 8
3.6.2 Front mounting plate of the F4 class ..... 8

4 Electrical and hydraulic connections ..... 8
4.1 Introduction ..... 8
4.2 Location on the vehicle ..... 8
4.3 Clearance spaces ..... 9
4.4 Connection types ..... 10
4.5 Identification and preferred layout of hydraulic connections ..... 10

Bibliography ..... 11
