ISO 21120:2025-01 (E)

Machinery for forestry - Forestry mulching equipment - Terms, definitions and commercial specifications

Contents

Page

Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Terms and definitions 1
3.1 General terms 1
3.2 Terms related to mulching attachment carrier 2
3.3 Terms related to to mulching attachment 2
3.4 Terms related to mulching equipment type 3
3.4.1 Drive type 3
3.4.2 Rotor type 3
3.4.3 Tool type 3
3.4.4 Mount type 4
3.5 Terms related to dimensional characteristics 4
3.5.2 Mulching attachment carrier 4
3.5.3 Mulching attachment 5
3.5.4 Mulching equipment 5
3.6 Terms related to masses 6

4 Commercial specifications 6
4.1 Mulching attachment carrier 6
4.1.1 Internal combustion engine 6
4.1.2 Electric motor 6
4.1.3 Undercarriage 6
4.1.4 Mulching attachment carrier mass 7
4.2 Mulching attachment 7
4.2.1 Drive type 7
4.2.2 Rotor type 7
4.2.3 Dimensional characteristics 7
4.2.4 Mulching attachment mass 8
4.3 Mulching equipment 8

Annex A (informative) Dimensional characteristics of forestry mulching equipment 9

Annex B (informative) Nomenclature of forestry mulching equipment 13
