## Space systems - Early operations - Part 2: Initialization plan

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	1
3	Terms, definitions and abbreviated terms .....	1
3.1	Terms and definitions .....	1
3.2	Abbreviated terms .....	2
4	Initialization plan .....	2
4.1	Introduction clause of the initialization plan .....	2
4.2	Referenced documentation .....	2
4.3	Nomenclature .....	3
4.4	Purpose of spacecraft initialization plan .....	4
4.5	Plan description .....	4
4.6	Initialization configuration requirements .....	5
4.7	Ground-system requirements .....	6
4.8	Procedural initialization requirements .....	7
4.9	Spacecraft initialization team .....	8
4.10	Detailed procedural checklists .....	9
Bibliography .....		11
