

ISO 14085-5:2015-03 (E)

Aerospace series - Hydraulic filter elements - Test methods - Part 5: Resistance to flow fatigue

Contents		Page
Foreword		iv
Introduction		v
1	Scope	1
2	Normative references	1
3	Terms and definitions	1
4	Graphic symbols and circuit diagrams	2
5	Test equipment and supplies	2
6	Accuracy of measurements and test conditions	4
7	Test procedure	4
8	Acceptance criteria	6
9	Data presentation	6
10	Identification statement	6
Annex A (informative) Flow fatigue test data report form		7
