DIN EN 16602-60-13:2015-11 (E)

Space product assurance - Requirements for the use of COTS components; English version EN 16602-60-13:2015

Inhalt

Seite

European foreword **4**

Introduction **4**

1 Scope **7**

2 Normative references **9**

3 Terms, definitions and abbreviated terms **11**

3.1 Terms from other standards 11

3.2 Terms specific to the present standard 11

3.3 Abbreviated terms 12

3.4 Conventions 13

3.5 Nomenclature 14

4 Requirements for class 1 components **15**

5 Requirements for class 2 components **36**

6 Requirements for class 3 components **59**

7 Quality levels **74**

8 Evaluation and lot acceptance for retinned parts **75**

9 Pure tin lead finish – risk analysis **83**

Annex A (normative) **Component control plan (CCP) - DRD** **84**

Annex B (normative) **Declared components list (DCL) - DRD** **85**

Annex C (normative) **Internal Supplier's specification - DRD** **86**

Annex D (normative) **Parts approval document - DRD** **88**

Annex E (informative) **EEE documents delivery per review** **89**

Annex F (normative) **Justification document - DRD** **90**

Annex G (informative) **Difference between the three classes** **93**

Annex H (informative) **Flow chart for construction analysis and destructive physical analysis** **94**

Bibliography **98**
