Foreword ..... **iv**

Introduction ..... **v**

1 Scope **1**

2 Normative references **1**

3 Terms and definitions **1**

4 Basic driver bit configuration **1**
4.1 General 1
4.2 Basic driver bit configuration dimensions — metric 2
4.3 Basic driver bit configuration dimensions — inch 3
4.4 Driver bit designation 4

5 Driver bit inspection **4**
5.1 Driver bit gaging equipment 4
5.2 Driver bit gaging procedure 5
5.3 Driver bit inspection gage dimensions — metric 5
5.4 Driver bit inspection gage dimensions — inch 6

6 Driver bit torque test **6**
6.1 Driver bit torque test apparatus 6
6.2 Torque test fixture 7
6.3 Torque wrench/torsion machine 8

7 Driver bit torque test procedure **8**
