## Flight dynamics - Vocabulary - Part 8: Dynamic behaviour of aircraft

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	1
3.1	General .....	1
3.2	Types of aircraft motion .....	2
3.3	Types of aircraft motion and natural modes of aircraft motion .....	4
3.4	Characteristic parameters of individual modes of motion .....	5
3.5	Standard input signals .....	7
3.6	Response of aircraft to a step .....	11
Bibliography .....		15
Index .....		16
