## UAS traffic management (UTM) - Part 5: UTM functional structure

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	1
3.1	UTM constituent related terms .....	1
3.2	UA operation related terms .....	2
4	General recommendations .....	2
5	Classification of UTM functionalities .....	3
5.1	Functional categories .....	3
5.2	UTM functions .....	4
5.2.1	General .....	4
5.2.2	Registration function .....	4
5.2.3	Flight information management function .....	4
5.2.4	Operation plan management function .....	5
5.2.5	Position data management function .....	6
5.2.6	Reporting function .....	6
5.2.7	Supplemental data supply function .....	6
6	UTM functional structure .....	7
6.1	Functional structure and configuration .....	7
6.2	Relationships and interactions among UTM functions .....	8
Annex A (informative)	Design models comparison of UTM frameworks and approach to determining UTM functions .....	10
Bibliography .....		14
