Foreword iv

Introduction v

1 Scope 1

2 Normative references 2

3 Terms and definitions 2

4 Materials 4

5 Workmanship 4

6 Characteristics 4
6.1 General 4
6.2 Mobility 4
6.3 Structure 5
6.4 Miscellaneous equipment 5
6.5 Systems 6
6.6 Vehicle markings 7
6.7 Conveyor systems 7
6.8 Environment and weather protection 7
6.9 Illumination 8
6.10 Maintenance 8
6.11 Transport 9

7 Manuals 9

8 Optional features 9

Annex A (informative) Efficiency of rollerized unit load device (ULD) handling equipment 11

Annex B (informative) List of typical aircraft ground support equipment 13

Bibliography 14
