## Thermal-insulating materials - Determination of compressive creep

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	1
4	Principle .....	3
5	Apparatus .....	3
6	Test specimens .....	4
7	Procedure .....	5
8	Calculation and expression of results .....	8
9	Precision .....	9
10	Test report .....	9
Annex A (normative) Calculation of long-term compressive creep .....		10
Annex B (informative) Example of a linear regression analysis .....		13
Bibliography .....		17
