

# DIN EN ISO 15796:2008-11 (E)

## Gas analysis - Investigation and treatment of analytical bias (ISO 15796:2005)

---

<b>Contents</b>		<b>Page</b>
Foreword .....		3
Introduction .....		4
1	Scope .....	5
2	Terms and definitions .....	5
3	Symbols .....	7
4	Bias related to instrumental drift .....	8
4.1	Principle .....	8
4.2	Stability monitoring .....	8
4.3	Drift correction .....	10
5	Bias related to effects of sample composition .....	14
5.1	Principles .....	14
5.2	Local bias handling .....	15
5.3	Bias handling for an extended measuring range .....	27
6	Treatment of matrix interferences .....	31
Annex A (normative) Critical values for the trend test .....		33
Annex B (informative) Uncertainty issues .....		34
Bibliography .....		37
