

# DIN EN ISO 10765:2010-12 (E)

## Footwear - Test method for the characterization of elastic materials - Tensile performance (ISO 10765:2010)

---

<b>Contents</b>		<b>Page</b>
Foreword .....		3
1	Scope .....	4
2	Normative references .....	4
3	Terms and definitions .....	4
4	Apparatus and materials .....	5
5	Sampling and conditioning .....	5
5.1	Sampling .....	5
5.2	Conditioning .....	6
6	Procedure .....	6
7	Expression of results .....	7
7.1	General .....	7
7.2	Modulus .....	7
7.3	Elastic gradient (EG) .....	8
7.4	Limit of useful extension (LUE) .....	8
7.5	Maximum extension resistance .....	9
7.6	Calculating extension at break point .....	9
8	Test report .....	10
