DIN EN ISO 8565:2011-09 (E)

Metals and alloys - Atmospheric corrosion testing - General requirements (ISO 8565:2011)

Contents

Page

Foreword 3

Introduction 4

1 Scope 5

2 Normative references 5

3 Requirements for test specimens 5

4 Atmospheric corrosion test sites 8

5 Test site characterization 10

6 Operating conditions 11

7 Test procedure 12

8 Test report 12

Annex A (normative) Environmental factors characterizing atmospheric exposure conditions 14

Bibliography 15
