

DIN EN ISO 8565:2011-09 (E)

Metals and alloys - Atmospheric corrosion testing - General requirements (ISO 8565:2011)

Contents		Page
Foreword		3
Introduction		4
1 Scope		5
2 Normative references		5
3 Requirements for test specimens		5
4 Atmospheric corrosion test sites		8
5 Test site characterization		10
6 Operating conditions		11
7 Test procedure		12
8 Test report		12
Annex A (normative) Environmental factors characterizing atmospheric exposure conditions		14
Bibliography		15
