DIN EN ISO 1927-1:2012-11 (E)

Monolithic (unshaped) refractory products - Part 1: Introduction and classification (ISO 1927-1:2012)

Contents

Page

Foreword ... 3

Introduction ... 4

1 Scope ... 5

2 Normative references ... 5

3 Terms and definitions ... 5

4 Product types and methods of placement ... 6
4.1 Refractory castables ... 6
4.2 Refractory gunning materials ... 7
4.3 Refractory ramming materials ... 7
4.4 Refractory jointing materials ... 7
4.5 Other monolithic (unshaped) refractory products ... 7

5 Type of chemical composition ... 8
5.1 Alumina-silica products ... 8
5.2 Basic products ... 8
5.3 Special products ... 8
5.4 Carbon-containing products ... 8

6 Classification ... 8
6.1 General ... 8
6.2 Main raw material ... 8
6.3 Classification temperature ... 9

7 Designation of a monolithic (unshaped) refractory material ... 10
