## Electroplated coatings - Modified corrodokote corrosion test (mod. CORR-Test)

<b>Contents</b>		<b>Page</b>
Foreword .....		3
1	Scope .....	5
2	Normative references .....	5
3	Principle .....	5
4	Samples .....	5
5	Apparatus .....	5
6	Slurry preparation and reagents .....	6
7	Procedure .....	6
7.1	Cleaning of samples before applying the slurry .....	6
7.2	Application of slurry .....	6
7.3	Conditioning of samples in the controlled-atmosphere test chamber .....	6
7.4	Test climate .....	6
7.5	Test cycle .....	6
7.6	Repeated conditioning of the samples in the controlled-atmosphere test chamber .....	6
8	Evaluation .....	7
9	Test report .....	7
