DIN EN ISO 6506-3:2015-02 (E)

Metallic materials - Brinell hardness test - Part 3: Calibration of reference blocks (ISO 6506-3:2014)

Contents

Page

Foreword 3

1 Scope 4

2 Normative references 4

3 Manufacture of reference blocks 4

4 Calibration machine 5

5 Calibration procedure 6

6 Number of indentations 6

7 Non-uniformity of reference block 7

8 Marking 7

9 Validity 8

Annex A (informative) Uncertainty of the mean hardness value of reference blocks 9
