|---|-------------------------------|-------------|
| Foreword .....  |                               | iv          |
| 1   | Scope .....                   | 1           |
| 2   | Normative references .....    | 1           |
| 3   | Terms and definitions .....   | 1           |
| 4   | Apparatus and materials ..... | 2           |
| 5   | Specimen .....                | 2           |
| 6   | Tests .....                   | 3           |
| 6.1   | Atmospheric conditions .....  | 3           |
| 6.2   | Procedure .....               | 3           |
| 6.3   | Judgment .....                | 4           |
| 7   | Test report .....             | 4           |
| Annex A (normative) Apparatus for shear fatigue tests ..... |                               | 5           |
| Annex B (normative) Procedure of shear fatigue tests .....  |                               | 7           |
| Bibliography .....  |                               | 11          |
