## Metallic coatings - Determination of porosity in gold coatings on metal substrates - Nitric acid vapour test

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	2
4	Apparatus .....	2
5	Reagent .....	3
6	Safety .....	3
7	Procedure .....	3
8	Precision .....	5
9	Test report .....	5
Annex A (informative) Time of exposure to nitric acid vapour .....		6
Annex B (informative) Procedure recommended for avoiding the use of chlorinated hydrocarbons ...		7
Bibliography .....		8
