## Metallic coatings - Corrosion test method for decorative chrome plating under a de-icing salt environment

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	1
4	Apparatus .....	1
5	Test slurry .....	2
5.1	Preparation of the calcium chloride (CaCl <sub>2</sub> ) solution .....	2
5.2	Preparation of the slurry (paste) .....	2
6	Procedure .....	2
7	Evaluation of the results .....	3
8	Test report .....	3
Annex A (informative) Graphical procedure of de-icing salt corrosion test .....		4
Annex B (informative) Example for rating after de-icing salt corrosion test .....		6
Bibliography .....		7
