## Solid biofuels - Determination of ash content

---

| <b>Contents</b>                              |   | <b>Page</b> |
|--|---|-------------|
| Foreword .....                               |   | iv          |
| Introduction .....                           |   | v           |
| 1  | Scope .....                                       | 1           |
| 2  | Normative references .....                        | 1           |
| 3  | Terms and definitions .....                       | 1           |
| 4  | Principle .....                                   | 1           |
| 5  | Apparatus .....                                   | 2           |
| 6  | Sample preparation .....                          | 2           |
| 6.1  | General .....                                     | 2           |
| 6.2  | Sample conditioning .....                         | 2           |
| 7  | Procedure .....                                   | 3           |
| 7.1  | General .....                                     | 3           |
| 7.2  | Conditioning of dish .....                        | 3           |
| 7.3  | Conditioning of the general analysis sample ..... | 3           |
| 7.4  | Ashing of test portion .....                      | 3           |
| 7.5  | Weighing .....                                    | 3           |
| 7.6  | Completion of ashing .....                        | 4           |
| 8  | Calculation .....                                 | 4           |
| 9  | Performance characteristics .....                 | 4           |
| 10   | Test report .....                                 | 4           |
| Annex A (informative) Performance data ..... |   | 5           |
| Bibliography .....                           |   | 7           |
