Reload startup physics tests for pressurized water reactors

Contents		Page
Foreword		iv
Introduction		v
1	Scope	1
2	Normative references	1
3	Terms and definitions	1
4	Relation to other standards	3
5	Physics test program and selection criteria	3
5.1	Bases for startup physics test program	3
5.2	Required minimum test program	4
5.3	Test program considerations	5
6	Test method requirements	6
6.1	General	6
6.2	General test considerations	6
6.2.1	Test objective	6
6.2.2	Test purpose	6
6.2.3	Initial conditions	6
6.2.4	Test methods	6
6.2.5	Evaluation	6
6.3	Test criteria	7
7	Requirements of this document	7
Annex A (informative)	User guidance	8
