## Plastics - Ion exchange resin - Part 2: Determination of water content of anion exchange resins in hydroxide form by centrifugation

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	1
4	Principle .....	1
5	Reagents .....	2
6	Apparatus .....	2
7	Samples .....	3
8	Procedure .....	3
8.1	Removal of the external water .....	3
8.2	Determination of water content .....	3
9	Calculation .....	4
10	Test Report .....	4
Annex A (normative) Sampling .....		5
Annex B (informative) Formulae and derivations .....		7
