ISO 4907-1:2023-04 (E)

Plastics - Ion exchange resin - Part 1: Determination of exchange capacity of acrylic anion exchange resins

Contents

Page

Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Termsanddefinitions 1

4 Principle 2

5 Reagents 2

6 Apparatus 6

7 Samples 7
7.1 Sampling 7
7.2 Sample preparation 7

8 Procedure 8
8.1 Removal of the external water 8
8.2 Water content 8
8.3 Strong-base group capacity 8
8.4 Weak-base group capacity 8
8.5 Weak-acid group capacity 8

9 Calculation 9
9.1 Strong-base group capacity 9
9.2 Weak-base group capacity 9
9.3 Weak-acid group capacity 10

10 Test report 11

Annex A (normative) Sampling 12

Annex B (normative) Determination of water content of anion exchange resins by centrifugation 14

Bibliography 16
