|---|---|-------------|
| Foreword .....                            |   | iv          |
| 1   | Scope .....   | 1           |
| 2   | Normative references .....                          | 1           |
| 3   | Principle .....                                     | 1           |
| 4   | Reagents and materials .....                        | 2           |
| 5   | Apparatus .....                                     | 3           |
| 6   | Sampling and sample preparation (see annex A) ..... | 4           |
| 7   | Procedure .....                                     | 4           |
| 8   | Calculation .....                                   | 6           |
| 9   | Expression of results .....                         | 6           |
| 10  | Precision .....                                     | 7           |
| 11  | Test report .....                                   | 7           |
| Annex A (normative) Sample handling ..... |   | 8           |
